I would also like to thank our Vice President, Ken Jensen. Ken has worked throughout Zone 26 and established a school to create and assess Course Builders and Show Jumping Judges this year.

I would like to thank all members of Zone 26 who have helped to establish and create positive outcomes by scheduling events in their voluntary individual roles for their clubs throughout the year.

Well done and congratulations to all the riding members who representative Zone 26 in all disciplines at Australian Level, Queensland State Level and Club Level for 2018. The riding members had a very successful performance rate at State Level in all disciplines.

Zone Chief Instructor Report 2018

Hi All,

Well our year in Zone 26 has come to an end once again and if I do say so myself it went quite quickly.

I would just like to thank All of our instructors in the Zone 26. Our work is never over and to be a part of this sport is very rewarding.

We may feel overwhelmed at times with the load we are carrying, however, if we all work as a team even the biggest hurdle becomes much simpler at the time.

Remember we are here for the athletes [equine and human] so we should always have both their interests at heart.

I would also like to congratulate all of our candidates that have succeeded in getting their qualifications from NCAS PRELIM/Level C/ and level 1 NCAS. Also, all those that have achieved qualifications in other areas of our sport. Go forth and ENJOY.

You must all realize that with the help of our Zone 26 panel and all of our instructors in every club we are moving forward towards one of the best Zones in QLD,

Kind Regards,
Natalie Anstey Z26CI.

CLAY SCHNEIDER CAMPDRAFTING TROPHY

CLAYTON JOHN SCHNEIDER 28.10.1989 – 4.6.2011

Clayton was a member of Pine Rivers Pony Club. He had previously been a member of Narangba and Burpengary clubs. He was a very valued member who was always willing to lend a hand, as well as showing great sportsmanship. Clayton loved his campdrafting and met with an accident at the Gympie campdraft which was held at Widgee on the 12th July, 2008 and he passed away on the 4th June, 2011 having never regained consciousness as a result of this accident. Clayton had represented Zone 26 in Sporting, Campdraft and Mounted Games events at State Championships.

The Zone decided to present a perpetual trophy in memory of Clayton at the Zone Campdraft, for the rider with the highest score on the day.

Zone 26 in conjunction with Zone 8 once again offered a campdraft school held at Manumbar on 30th June 2018 which was a fantastic learning forum for riders with expert instructors imparting valuable knowledge on all aspects of campdrafting including dry work, cattle work, horse mastership and horsemanship. With specialist instruction on the expectations of stockman's challenge giving our riders an insight of what to expect at a competition and lots of fun had with the mechanical cow. All riders also were given specialist instruction while working with a live beast as well as simulation with instructors being the cow while giving tips.

With the kind donation of cattle by local grazers Sunday's competition was a wonderful exhibition of increased knowledge by all riders.

ALLAN HESSION MEMORIAL TROPHY

(Presented at the Zone Teams Showjumping Challenge)

When Danny Marr's young granddaughter's team won the Alan Hession Memorial Trophy for the highest scoring team at Zone Teams Challenge, he found she had no idea who Alan was, and asked that I write a little of the history of the Challenge and Alan's part in it.

Alan became involved in Pony Club when both his children became keen riders. He became an instructor in 1983, and was President of Zone 26 for 10 years, giving endless time to instructing and judging at gymkhanas.

When Alan's daughter, Karen, became involved in Mounted Games and travelled to the UK and Canada as a member of the Australian Mounted Games Team, Alan became a driving force behind the introduction of Mounted Games in Queensland. He was Manager/Coach of several Queensland Mounted Games Teams.

He went on to become Australian Team manager for a team which went to Belfast in 1993 and for the 1995 Games in Kentucky, USA. In 1993, Alan was the force behind the National Prince Philip Mounted Games being held at Caboolture Showgrounds. At this time, the idea of States travelling their horses from all over Australia to compete at a National Competition was thought an unlikely dream. Therefore, competitions on borrowed horses, similar to National Mounted Games, where all the states compete on equal terms, appealed to Alan, and he began to run with the idea of running a National Showjumping along the same lines, with all States riding borrowed horses to give as fair a competition as possible. And where else but at Caboolture Showgrounds!

He soon managed to talk a lot of us from Zone 26 and Zone 6 into becoming enthused (or carried away) and we found ourselves in October 1994 borrowing twenty-five or so local showjumpers for five days and hosting and entertaining teams from West Australia, South Australia, NSW, Northern Territory, and of course Queensland. Because the National Teams did not involve many riders, the idea of having a Zone Teams Challenge as part of the event was born. To Alan's delight, and the relief of the rest of us, the event was a tremendous success and it was very speedily agreed by PCAQ that the Zone Teams Challenge was an excellent concept and should be continued. So that's how it started, and has continued each year (except 2007 because of EI), with many of the same people still involved in its organisation.

Tragically, Alan was not to see another Zone Teams Challenge, since he died in a bus crash in Kentucky, USA in August 1995, while acting as Manager of the Australian Mounted Games Team. Alan had his own inimitable way of establishing a team spirit and a bond between riders, and they would ride their hearts out for "Hesh" and their team. He was motivated above all else by the idea of giving every rider a "fair go" and "team spirit" above the quest for individual glory. The Alan Hession Memorial Trophy for the overall highest scoring team was given by Zones 26 and 6 to ensure that Alan's name will always be associated with the event he conceived.

Clubs in the zone competed for the Metropolitan Trophy each year from 1972 until 1988 at the Zone Gymkhana which was hosted by a different club each year. It was decided to do away with the Zone Gymkhana after 1988 because there were more clubs wanting to run different events and it was proving difficult to fit everything into the zone calendar. This trophy is now kept at Pine Rivers Pony Club Clubhouse as they were the most frequent winners of the trophy.

REDCLIFFE SHIELD

The Redcliffe Shield was another trophy which was contested each year from 1962 until 1993 by all the clubs in Zone 26 and Northern Suburbs. The winner was then the host club the following year. It hasn't been contested since 1993 because it was proving too difficult to fit into the zone calendar with all the other events that were happening within the zone. The Redcliffe Shield is now kept at Pine Rivers clubhouse.
